GENERAL VITAMIN/MINERAL/AMINO ACID INJECTABLES INFORMED CONSENT

(Super Slim Shot)

(Pyridoxine HCL, Methionine, Inositol, Choline Chloride, Thiamine HCL, Riboflavin (B2))

Injection common side effects include; but are not limited to:

1. Risks: I understand there is risk of mild diarrhea, upset stomach, nausea, a feeling of irritation/warmth at site of the injection, a feeling, or a sense, of being swollen over the entire body, headache and joint pain.
2. I understand that although rare, these injections can result in serious side effects. Although this is a relatively rare occurrence, anyone taking these injections should be aware of the possibility. Uncommon side effects are much more serious than the common side effects of these injections and such side effects should be reported to a physician or walk in urgent care immediately for evaluation. Uncommon side effects include:
 - **Rapid heartbeat/chest pain/tightness**
 - **Difficulty breathing and swallowing/shortness of breath**
 - **Dizziness/confusion**
 - **Hives, skin rashes**
 - **Fever/chills**
 - **Abnormal bleeding**

I understand I should not take vitamin/mineral/amino acid injections if any of the following conditions apply to me:

1. Pregnant or breastfeeding
2. Individuals with kidney or liver disease
3. People with a history of heart disease or high blood pressure
4. Individuals with allergies or sensitivities to the ingredients: Some people may have allergies or sensitivities to the substances present in Super Slim shots, such as methionine, inositol, choline, or vitamin B12. If you have known allergies or sensitivities to any of these ingredients, it is best to avoid these shots.
5. Those on certain medications: Lipo Mino shots (Super Slim shot) can interact with certain medications, such as blood thinners or medications for diabetes or high blood pressure.

By signing below, I acknowledge that I have read this informed consent and agree to the injections, and that none of the listed possible contraindications mentioned above apply to me. I have been informed of the possible effects that the Injectables may have, the importance of discussing with my primary medical provider about possible contraindications prior to receiving injection(s) and the importance of notifying my doctor of such use. I give consent to perform this injection and ALL selected subsequent Injections. I hereby release the medical providers, the person injecting the Injection and the facility from all liability associated with this procedure.

HORMONE REPLACEMENT FEE ACKNOWLEDGEMENT
AND
INSURANCE DISCLAIMER

Bio-Identical hormone replacement is a unique practice and is considered a form of alternative medicine. Although many board-certified medical providers offer bio-identical hormone replacement therapy to their patients, in most cases, insurance companies do not recognize it as a medical necessity.

BioEnve is not contracted with any insurance company. BioEnve will not contact any insurance company directly or indirectly to seek prior-authorization, benefit details or reimbursement for the bio-identical pellets and/or supplements.

Payment will be required at the time of service. Upon request, we will gladly provide a detailed receipt if you wish to seek insurance reimbursement directly. WE WILL NOT, however, communicate in any way with insurance companies.

This form and payment will serve as evidence of your out-of-pocket payment made, and your decision to proceed with the bio-identical hormone replacement treatment and/or to purchase recommended supplements.

For Health Savings account holders, you may choose to pay for bio-identical pellets and/or supplements with your health savings credit/debit card. Some of these accounts require that you pay in full ahead of time, and request reimbursement later with a receipt and letter. However, please be aware that your insurance company HSA account may seek reimbursement from you if it is determined not to be an eligible benefit through your plan.

By signing my name below, I certify that I have read the above information. My signature also certifies my understanding of, and agreement with, the above terms. I also understand that I am responsible for all charges with BioEnve.

Patient Signature: _____ Date: _____

HIPAA Information and Consent Form

The Health Insurance Portability and Accountability Act (HIPAA) provides safeguards to protect your privacy. Implementation of HIPAA requirements officially began on April 14, 2003. Many of the policies have been our practice for years. This form is a "friendly" version. A more complete text is posted in the office.

What this is all about: Specifically, there are rules and restrictions on who may see or be notified of your Protected Health Information (PHI). These restrictions do not include the normal interchange of information necessary to provide you with office services. HIPAA provides certain rights and protections to you as the patient. We balance these needs with our goal of providing you with quality professional service and care. Additional information is available from the U.S. Department of Health and Human Services. www.hhs.gov

We have adopted the following policies:

1. Patient information will be kept confidential except as it is necessary to provide services or to ensure that all administrative matters related to your care are handled appropriately. This specifically includes the sharing of information with other healthcare providers, laboratories, health insurance payers as is necessary and appropriate for your care. Patient files may be stored in open file racks and will not contain any coding which identifies a patient's condition or information which is not already a matter of public record. The normal course of providing care means that such records may be left, at least temporarily, in administrative areas such as the front office, examination room, etc. Those records will not be available to persons other than office staff. You agree to the normal procedures utilized within the office for the handling of charts, patient records, PHI and other documents or information.
2. It is the policy of this office to remind patients of their appointments. We may do this by telephone, e-mail, U.S. mail, or by any means convenient for the practice and/or as requested by you. We may send you other communications informing you of changes to office policy and new technology that you might find valuable or informative.
3. The practice utilizes a number of vendors in the conduct of business. These vendors may have access to PHI but must agree to abide by the confidentiality rules of HIPAA.
4. You understand and agree to inspections of the office and review of documents which may include PHI by government agencies or insurance payers in normal performance of their duties.
5. You agree to bring any concerns or complaints regarding privacy to the attention of the office manager or the provider.
6. Your confidential information will not be used for the purposes of marketing or advertising of products, goods or services.
7. We agree to provide patients with access to their records in accordance with state and federal laws.
8. We may change, add, delete or modify any of these provisions to better serve the needs of both the practice and the patient.
9. You have the right to request restrictions in the use of our protected health information and to request change in certain policies used within the office concerning you PHI. However, we are not obligated to alter internal policies to conform to your request.

I, _____, date _____ do hereby consent and acknowledge my agreement to the terms set forth in the HIPAA INFORMATION FORM and any subsequent changes in office policy. I understand that this consent shall remain in force from this time forward.

Stefanie McCain, MD

Check In- Your time is important to us. The first step in keeping your appointment on time is being prepared. This includes filling out all required paperwork prior to your first appointment. It is extremely important that you provide each piece of information that is requested in both the Patient Information and Medical History Questionnaire. This will avoid delays in creating your chart and account at your visit. Please arrive at least 10 minutes prior to your scheduled time so that all information can be verified.

Missed Appointments, Late Cancellation, Late Arrivals, and Non-Compliance- We require a 24-hour advance notice, you must cancel or reschedule your appointment. We offer patient reminder calls, texts and/or emails prior to your appointment which will allow you to cancel or reschedule. However, it is ultimately your responsibility to keep track of your appointment whether you receive a reminder or not. Cancellations made with less than the required 24-hour advanced notice will be charged a \$25 late cancellation no-show fee, and patients with multiple cancellations or missed appointments may be discarded from our practice.

***Please note** that non-compliance with treatment plans including medication and/or lab work and abusive/inappropriate behavior towards staff and/or patients will result in immediate dismissal of your care from our practice.

Nurse Practitioners/ Physician Assistants- Dr. McCain has Nurse Practitioner(s) and/or Physician Assistant(s) to assist in the delivery of medical care. All medical providers are advanced practice providers who have completed a graduate level education and training in the diagnosis and management of medical conditions.

Forms of Payment- We accept payment in the form of cash, debit and/or credit cards. Checks are no longer accepted as a form of payment due to the high volume of returned checks. If an approval is given to you to pay by check, if the check is returned as non-sufficient or for any other reasons, you will be charged an additional \$35 fee.

***Please note** that there is a **3.5% service charge fee** when paying by debit, credit or any Health Savings debit/credit card.

Collection Fees-All office visit charges are due at the time of service. This will include any co-pays or co-insurance amounts. If for some reason it is not collected at the time of service or if the insurance company does not pay the expected amount, a statement will be sent, and the balance will be due upon receipt of the statement. We will send a maximum of 3 statements, then your account will be turned over to a collection agency.

I have read, understand and agree to the above office and financial policies of Stefanie McCain, MD. I hereby attest that I have been given and agree to provide current demographic and insurance information and authorize release of information necessary to insurance filing by signing this statement. My signature below states my agreement and understanding of Stefanie McCain, MD's office and financial policies and serves as a request and consent for treatment. I authorize and assign all benefits to be made directly to Stefanie McCain, MD.

LABS THROUGH INSURANCE OR PRE-PAID?

As you consider your hormone labs, **you have a choice**. Our goal is to help you make a well-informed decision. No matter which you choose, please note, the labs we are ordering are considered medically necessary based on your symptoms, and to help manage and improve your health and wellness. **The amount you pay when labs are processed through your insurance depends on a few factors:**

1) Insurance Contracts and Deductibles: a. Your insurance carrier may have negotiated lab cost with specific laboratories such as: LabCorp, Quest etc. Regardless of the "billed rate," you may receive the benefit of the "contracted rate." b. If no such agreements are in place, your labs are considered "out of network." While some insurance plans provide some level of "out of network" benefits you will more than likely encounter a higher "patient responsibility" bill/co-pay. c. At the beginning of the new calendar year, or if you have not met your plan deductible, your "patient responsibility" bill/co-pay may be higher, or you may be responsible for the full amount.

2) Cash Options: a. We offer you the option to pre-pay your labs through BioEnve/Stefanie McCain, MD. We have negotiated a discounted rate for cash pay clients. This option was created for our patients to avoid surprises and to help those who currently do not have insurance. Please note, your insurance company could potentially have a more favorable rate for the lab panel than the cash price of our office. b. If you have a Health Saving Account (HSA) or Flex Savings Account (FSA), you can use it to pay the cash price, and we can provide you with a receipt for submission to your HSA or FSA upon request. However, please be aware that your insurance company HSA account may seek reimbursement from you if it is determined not to be an eligible benefit through your plan.

After careful consideration I am electing the following option for all lab draws through the office of BioEnve/Stefanie McCain, MD. If I desire to **change the selected billing option** for any further lab work, I understand that **it will be MY responsibility to notify BioEnve/Stefanie McCain, MD** prior to lab draw.

_____ **Insurance Billed:** Please submit my labs through my insurance company. I **understand** that any amount not paid by my insurance company to the lab filing my claim **will be my responsibility** and I **will receive a bill directly from the lab**. BioEnve/Stefanie McCain, MD will not contact the lab or any insurance company directly or indirectly to seek prior-authorization, benefit details or reimbursement for lab work. I understand that I cannot change the billing option after the lab work has been drawn or receive billing statement from lab for amount that went towards "patient responsibility" after insurance has processed my claim.

_____ **Pre-paid:** I prefer to pre-pay (self-pay) my lab tests through BioEnve/Stefanie McCain, MD.
